Create in us a new heart...

In the spring of 2010 a silent directed retreat will be offered for the seminarians of St. Peter's Seminary. According to the availability of openings, we want to invite priests from our diocese to join us on this retreat. In this "Year for Priests", it would be a great blessing for us to have priests join us for these days of prayer at Holy Family Retreat House, Oxley, ON.

This will be a silent, personally directed retreat involving several spiritual directors – some of whom are from our seminary community and others from outside.

Since it is necessary to confirm this commitment with directors early, **you will be asked to make your decision on or before Monday, February 22, 2010.**
